## **A Message from the Executive Board**

As President of the Allohak Council I am proud to report that for the third year we have been recognized by the National Council as a Centennial Quality Council. We continue to carry out the mission of the Boy Scouts of America and are indeed fortunate to have quality facilities and outstanding adult leaders whose dedication to Scouting helps ensure quality programs for all youth.

2009 in Scouting was a year filled with activities, advancement, program, and fun over 4,500 youth who participated in the Cub Scout, Boy Scout, Varsity Scout, Venturing, and Learning for Life programs of the Allohak Council throughout the year. We should be very proud of the quality of programs that are afforded to our Scouts and the fiscal soundness of our council.

Our year was highlighted with an outstanding summer camp, "A" rated Cub Scout Day Camps, a phenomenal camporee at the West Virginia State Police Academy and a full complement of unit service executives. In spite of troubled economic times, the Allohak Council had its second best fundraising year and ended with a modest surplus.

The work with our chartered partners allowed Scouting to remain strong as 176 Scouting units delivered character building programs to an increasing number of youth. Scouting values continue to meet the needs of our community, state and nation. As we look to the future, Scouting will remain as relevant in the future as in the past 100 years. I am proud to be part of a program that will leave such a positive legacy on our society.

Very truly yours in Scouting,

John S. Kaul  
Council President
