

Go nuts for summer camp....Go nuts for Scouting!

This spring the Allohak Council is pleased to again offer Scouts a product sale for the camp fundraiser – Virginia Diner Peanuts. A high quality product with proven success for Allohak Council Scouts in 2011, the Nuts for Scouting program is an effective way for any Cub Scout, Boy Scout or Venturer to pay for their summer adventure or begin saving for a future event. The 2013 National Scout Jamboree is just around the corner and for the first time Venturers will be invited to participate!

The commission will remain 30%!

A Limited amount of items are available for show and sell to those Units that did not order show and sell product on January 18<sup>th</sup>. Sale begins February 8<sup>th</sup> with orders due on March 14<sup>th</sup>.

On average, a Scout will sell \$100 per hour going door to door, with little effort and encouragement from Mom and Dad.
